## ORIGIN AND COMMITMENT – OUR HOMELAND: THE HAINICH.

Our home is nestled at the foot of one of Germany's last untouched natural landscapes: Hainich National Park has lent us its name and serves as an inspiration for HAINICH Konserven GmbH to pursue greater sustainability.

That's why we are committed to taking responsibility for both people and nature. Through our own controlled and integrated farming practices, climate-positive production, fair partnerships with our suppliers and customers, and social engagement to strengthen community cohesion.

## WE WANT TO SUPPORT YOU PERFECTLY.

Wholesale and retail are our bridge to the consumer. We see them as our partners. That's why we aim to support retailers with high-quality products, a constantly maintained and developed product range, as well as attractive services. From delivery logistics and distribution, all the way to the store shelf.
